### RANDOM RANTS

I think everyone by now should pretty much suess that I am a sucker for vampere series hehelio

So ofcourse when I came across this series I rushed to get the book for it ^^

On a side note ~ We are looking for a nice Should group to joint with for this project

if any should group would be interested please amail us at easystomescans@igmed.com with what you can do for this project and we can discuss about c.^^

I hope you enjoyed reading it like I did XD
